Exempt Well Request Form

In order for the General Manager to consider an application for an Exempt Well Registration, the applicant must submit the following information to the District. This form must be completed for each new well and may be submitted to the District by Fax: (806) 935-6633, Email: sstanford@northplainsgcd.org or in person.

An Exempt Well is a Well that is not subject to specified provisions of District Rules. An Exempt Well may be a Domestic Well, Livestock Well, Monitor Well or Rig Supply Well. There is no fee associate with an Exempt Well Registration, but an approved registration must be located on the rig drilling the Well to be considered in compliance.

A registration will be generated for a signature based on the verifiable information you provide below. Once all the registration is signed and returned to the District, an approved copy will be issued to you.

Water Right Owner Information:

Name of Water Right Owner: _________________________________________________________________
