New Well Request Form

In order for the General Manager to consider an application for a water well permit, the applicant must submit the following information to the District. This form must be completed for each new well and may be submitted to the District by Fax: (806) 935-6633, Email: sstanford@northplainsgcd.org or in person.

A permit will be generated for a signature based on the verifiable information you provide below. A stake must be placed at the location you list below. A NRS will go to your staked location, gather all necessary data to determine your new well location meets all current District Rules and will submit a report to the General Manager after the signed permit and fee are received. Once all required information is received from you and the NRS, your permit will be issued within 7 business days.
