

**REQUEST TO ESTABLISH  
GROUNDWATER PRODUCTION UNITS (“GPUs”)  
(FOR GPU’s THAT HAVE MULTIPLE SECTIONS and/or OWNERS)**

For a GPU to be effective, a District approved Declaration of Groundwater Production Unit, which District staff can certify as true and correct, must be received by District staff on or before December 31 of that production year. This form is a request for District staff to prepare for you a Declaration of Groundwater Production Unit, it is not a Declaration of Groundwater Production Unit. In the event, we need additional time to complete your request, please fill out this form to ensure the Declaration of Groundwater Production Unit is prepared for you properly and in a timely manner. Email to [productionreporting@northplainsgcd.org](mailto:productionreporting@northplainsgcd.org).
